Dear East Orient Parents and Friends,

Parent teacher conferences

Parent teacher conferences are almost here. We will be hosting our parents next Monday, Tuesday and Wednesday for conferences. If you do not have a conference set up please make sure you take this opportunity to connect with your child's teacher, and explore your child's strengths and areas of opportunity. Conferences are also great times to discuss how home can support the work inside the classroom.

Help Support our Library

The book fair is here and it looks amazing. Classes have gone through the book fair yesterday and today, and each child had the opportunity to complete a wish list for parents or loved ones. The fair will be open the rest of the week during school hours for parents or students to purchase their books. This is a great fundraiser for our library. All profits made from the book fair will go to benefit our library to continue buying and replacing books for our kids and staff.

A Veterans Day Salute

We will be hosting a celebration of our veterans on the 19th of November at 6:30pm. Our 2nd and 4th graders, along with Mrs. Jordan's 3rd graders and Mr. Hyman's 5th graders will be performing. This is a salute to all those that have served our country in the armed services. We are extending a special invite to all local veterans to come and be a part of our token of appreciation. This event will be hosted in the East Orient Gym.
