Dear Parents and Friends,

I wanted to welcome everyone to another great year at East Orient. Staff has been busy setting up classrooms and establishing procedures and student expectations. I wanted to thank parents for a very successful parent curriculum night. Our hope was that it gave you some helpful insights into the school and more specifically your child's classroom.

As most of you know we have grown a little this year as a school. We have added a third section/class of Kindergarten as well as the addition of a 2nd/3rd grade classroom. For all those affected by the additions, thank you for your patience and trust.

This year our theme is " I've got the Power". It's a slogan that is aimed at helping students understand that they have the ability to grow and become more skilled in reading, writing, math, listening and speaking. As the year progresses we will have themed days that will support this idea.

Our new spirit gear is out and ready to order. It was showcased during the parent night and was well received. We are working on getting the order form put on our Facebook page as well as our homepage.

Thanks to all the parents that were able to attend the first Gresham-Barlow bond meeting last week. It was exciting to listen to your ideas and thoughts about the future of our school buildings. This is a very important bond for all the schools in the Gresham Barlow School District. Our buildings have many needs, especially if we want to bring them up to the level needed for tomorrow's teaching and learning.

Sincerely,
James Milliken

East Orient would like to send a warm
"Thank You!"

to the Oregon Farm Bureau for their
donation of two books.

The Apple Orchard Riddle

by Margaret McNamara

(A signed copy)

And

The Beeman by Laurie Krebs.

Both of these books are wonderful additions
to our library and have been on Mrs. Ferron's
wish list!

East Orient Life skill for Sept 21 – Oct. 2nd:

**Pride- Satisfaction from doing one's
personal best.**

Ask your student about this valuable life skill!

Did you know that **this school year all 4th graders
in the nation can get a free national parks
pass** that gives them (and their family) free access to all
national parks, lands and waters through August 31,
2016? This program is one of the President's initiatives,
and it's called "Every Kid in a Park".

Please contact the school office
if your child will be absent or
late. 503-663-4818.

\$\$ For the Classrooms

You can help collect money for your student's
class by collecting box tops. Please send them in
with your student. All money earned goes
directly back to the classroom.

A HUGE "Thank you" to our hard-working
custodians Mr. G. and Mr. Dencer, and to
ALL the wonderful volunteers who
dedicated their time to the
EOES Community Care Day.

The yards of our school look beautiful!

Coming soon:

* No School, Sept 25th. Teacher- Inservice
Day

* *EOES will be participating in the Teddy
Bear Parade Saturday, Sept 26! Please mark
your calendar and plan on joining in the fun!*

* Picture Day, September 29th

Pick up Info:

Due to the high number of students moving into
EOES as well as moving out, we have found it
necessary to redistribute pick up numbers. Each
student/child will be issued their own pick up
number. Siblings will not be grouped under the
same number. Watch for your child/ children's
number coming home soon. When picking up your
children, please present all numbers to the
monitors. **Thank you for your help in
keeping all of our students safe.**
